# PRIESTESS PILGRIMAGE GLASTONBURY

**A pilgrimage into your feminine heart, womb and the well of feminine love & power weaving through you. A journey of remembrance of the Priestess within.**

We gather for a 7 day pilgrimage into the heart of the feminine, the Priestess, and the heart chakra of the world: Glastonbury. We anchor deeply into our wombs, hearts and our primordial feminine essence through daily practice, ritual and excursion to sacred sites, such as Chalice Well Gardens, White Spring, Tor, Abbey, Mary Magdalene Chapel and the Avebury Stone Circle.

Every day you will be guided through a nourishing morning practice, held right in our beautiful home, the Sacred Garden in the middle of Glastonbury. We'll spend time together exploring sacred sites, where you'll receive further blessings, attunements and I will be guiding you through further practices, deepening into the frequency and embodiment of the Priestess. On some mornings or evenings we'll dive again into practice & ceremony, depending on the energy in the group.

# OUR HOMEBASE

**We are staying at the magical Sacred Garden residence, a 18th century home in the heart of Avalon, close to Glastonbury Abbey.**

The venue has 4 rooms with double beds. Women joining will share a room, as well as two bathrooms, two toilets and a kitchen and dining area. Each morning, Stephanie or a woman from the group will prepare a simple and nourishing breakfast.

Note that there is no catering on-site, and we go for dinner and lunch depending on the desires of the group. It is also possible to have a home cooked meal. I am booking two special restaurants/brunch places for our first dinner & last brunch.

Our official program starts Saturday, 5 April 2025 at 3 pm, but you can arrive at the retreat house on Friday, 4, April (flights from Switzerland to Bristol are only on Friday). If possible, I suggest you to arrive on Friday.

We close our time together on Friday, 11 April at lunchtime.
